**Terms & Conditions:** Students completing our online ground schools will require access to current Culhane training manuals (Ground School Course text for appropriate course) so as to reference tables, charts and illustrations referred to in online courses. School will be issued single, universal school access user ID and password that can be used by any number of students at school for duration of subscription period. School sets its own prices for student access. In accordance with CARs, the flying school is responsible for student pilot training records, recommendations for written examinations and overall student supervision towards Transport Canada course curriculum requirements.
